Financial Agreement: As parent(s) or guardian(s), I/we agree to pay the annual published tuition required by NCA for my child/children's education in twelve (12) equal monthly payments. I/we further understand that I/we are purchasing the education services of NCA, and that the tangible product of the services are the student's report cards and the individual educational permanent transcripts for each child. Therefore, I/we understand that if I/we the parent(s)/guardian(s) fail to pay our tuition account in full, NCA is in no way obligated to release any records, report cards or individual permanent educational transcripts to any other institution for all of the courses not paid for under the obligations of this agreement. Course records will only become part of the child's/children's permanent record if and when all financial obligations to NCA are satisfied. Upon full payment, individual transcripts will be made current within ten (10) days of payment.
