- 1 **Achievement Test Scoring Fee . . .** We will be sending the 2nd thru 11th Stanford Achievement Tests for scoring. There is a \$10 fee for each test scored. ***We are asking each family to send in \$10 each of their students for this scoring.*** We surveyed families last year, asking if they wanted us to continue giving the tests even though BLaST no longer pays for the scoring. The general consensus was that we would give the Stanford tests every other year, and give the PSSA's on the off year, which are scored free of charge by the state. Make checks payable to NCA. Thanks!
