

From the Desk of Mr. Mickey

May 14, 2012

What a beautiful week-end! We had great days for the NCA yard sale, and for Mothers' Day. Regarding the yard sale, I am always pleased with the hard working volunteers that help make great things happen. Watching the organizing, the setting up, and then the cleanup is always a demonstration of teamwork, and quite frankly, the developing of a miracle. Thank you, all who had a part!

I will be extending the due date for the BRAVO scholarship applications for a few more days. Please, if you were given a Bravo Foundation scholarship application, complete the application and get it to my office right away.

We had a wonderful visit last Friday by a headmaster candidate and his wife. It is possible that he may be my replacement. Nothing has been finalized, and it is important that we remain in prayer regarding this important decision. Our desire must be that God has His perfect will in the filling of this position.

This coming Thursday through Sunday is a special event for Bradin Heimbach, one of our sophomores. Bradin will be representing NCA at Millersville University, as they host the HOBY Youth Conference. This is a special leadership training experience for sophomores across the nation. Have a great time, Bradin.

On Friday, the auxiliary will be honoring the staff with a teachers' appreciation dinner. Students will be dismissed at 11:30, and the special luncheon will follow, being prepared and served at the school.

Mrs. Wilson, our faithful pre-school teacher, has fallen and broken her wrist. Surgery and rest will be required. She will be absent from school all of this week. Please be praying for a quick recovery and a perfect healing.

Make sure your children get plenty of rest in the next two weeks. Finals will be administered to the high school on May 22, 23, and 24. All other grade levels will be working extra hard during this time, as well.

Blessings,

Mr. Mickey
