For Application to New Covenant Academy

Parent's Name _____

Applicant's Name _____

The above named family and student have applied for entrance to New Covenant Academy. We would appreciate your confidential comments on the applicant's maturity, stability, temperament, and Christian character.

Please keep in mind that the mission of New Covenant Academy is to teach and train Christian students for maturity in the Lord. We have not been established to convert students to Christianity or to act as a reform school for the backslidden or spiritually rebellious student. Also, every child attending NCA will affect their classmates and others. We do recognize that some younger elementary students are still under the covering of their parents and may not have made a personal decision for Christ at the time of application.

Since it is impossible for us to determine the spiritual motivation and character of a family or student in a short interview, we must rely heavily upon your recommendation. Please complete this evaluation for the family and the student named and return to us as soon as possible. We cannot process this student's application until your evaluation is received.

If you have not known this family or student long enough to make a fair evaluation, please pass this form on to a Christian leader who knows them well.

Thank you for your help, and may God bless you richly.
